

HAMPTON JR P.S.

Unlocking opportunities, enriching lives, preparing students for their future

June 2019

RESPONSIBILITY

Being responsible is to be accountable for our actions, decisions and words. Admit our mistakes, accept our consequences, work to correct them and make things right.

Hampton Jr Public School

It is June and school is almost done, how did that happen? We have had so much fun keeping busy that the year has flown by!

Thank you to all of our volunteers who have had the opportunity to come out and support us throughout our various activities and to parents and guardians who support student learning through their consistent homework completion and by providing a variety of opportunities for learning outside of the school setting. Our School Council has done a wonderful job this year, and we appreciate all that they do. We also wish to thank our community partners who work with us to sustain our stance that it takes a village to raise a child. Students have made great gains this year, and their positive sense of wellbeing continues to grow.

Importantly, I wish to thank our teachers, support staff, custodians and secretary for their exemplary contributions to school life on a daily basis. Hampton Jr boasts a talented and committed staff who care deeply for your children. We are lucky to work with such an excellent team.

Unfortunately, some of our staff will not be returning in September as they have accepted positions elsewhere in the board. Our gratitude goes out to Mrs. Giles, Ms. Glassford, Ms. Leebody, Ms. Parnham, Ms. Palmer, Ms. Seabrook, Ms. Subrizi and Ms. Wiffen. They have shown great dedication to our school community and will be missed. We wish them all the very best in their new journey! We would like to welcome Ms. P. Fischer who will be joining our teaching team.

The school office will be open from Friday, June 28th to Friday, July 5th from 8:30 am to 3:30 pm for registration and inquiries (with the exception of Monday, July 1st, when we will be closed for Canada Day). The office will re-open again on Thursday, August 22nd and remain open through to Thursday, August 29th.

Enjoy the warm weather and take time to take in all that your child has become and is becoming.

V. Le Drew
Principal

2019-2020 School Organization

A lot of work has gone into classroom placement and organization for next year. Tentative teacher placements for students are in the final report card. It is important for parents/guardians to understand that unanticipated staff changes over the summer or a fall reorganization to balance class sizes may require a revision to your child's classroom placement.

JK/SK – Mrs. Cutler

Grade 1 – Mrs. Robinson

JK/SK – Mrs. Edey

Grade 1/2 – Ms. Fischer

JK/SK – Ms. Grove

Grade 2 – Ms. Barkwell

Grade 1 – Ms. Campbell

Grade 2 – Mrs. Morris

Over the summer months, some families will be moving. If you are planning a move over the summer, please notify the school.

If you have new neighbours move in, please encourage them to contact the school or visit

http://kprdsb.ca/en/our_schools/findaschool/schoolregistration.html to register their child(ren) before school starts.

This early information helps keep our class organization and staffing more accurate for next year. Thanks for your help and support!

We had an amazing day at our Jump Rope for Heart event, participating in lots of healthy heart exercises. Thank you to all of those who raised funds for this important cause.

We surpassed our goal with a total fundraising of **\$4,722.70!** Way to go HAMPTON!
We had fun celebrating with pies in the face.

LOST AND FOUND

We have many lost and found items! Even though we remind students to check for lost items throughout the course of the year, the pile continues to grow. We have laid out all of the items on a table in the front foyer. Please encourage your child(ren) to look for any items that might be theirs, or if you can, come and take a look yourself. At the end of June any remaining items will be washed and donated to a suitable location.

Medical - Plan of Care Updates

This is a reminder to parents and guardians of students with medical needs, that we update our medical (Plan of Care's) every year. Your child's Plan of Care paperwork was sent home last week. Please make any changes necessary onto this form, sign and return it to school at the beginning of the 2019-2020 school year. This is a board wide form, if you child is attending a new school in KPR in September, please return the form to the office of the new school.

Please stop by the office to pick it up medications/epi-pens/puffers either on the last day of school (June 27th) or in the first week after school ends – the office is open until July 5th.
